... contained episode approach. The sequences for months, and I can't believe I am admitting yes Dave, I said that. The slow build up in this writing the kidnapping story to be split over at dawn out. Ok, I also have to say I like how Meg is they have to continue with this crappy story line at this time.

...ing, I think the short term bad stories have... plings toward ATWT. At this point the only story... h and the baby paternity thing with... the actors in the cast are used, which also... ou see only a few of the cast members around. When Luke and Noah are featured. All the other boring to watch.

... the chase, Chris. So you now feel there's something in Ali's and Casey's relationship. ...

...ol. My change in attitude has come a lot from the fact they are taking their time with the...

...ou mean Casey rather than Cassie. Cassie is a character on GL. LOL \*\*\*\*\*The Average...

Queen!! LOL
